I go wild 'cause you break me open
Wild 'cause you left me here
I go wild
'Cause your promises are broken

Wild because the chips are down
Wild because there isn't anybody else around
Wild when the waves start to break
And God knows they're breaking in me now

I GO wild because it doesn't make sense
For me to cry out in my own defense
AND wild BEcause I would do anything
To tear you off your precious fence

So this is what it's like living in limbo
First I'm high then I'm SO LOW

I go wild
'Cause you break me open
Wild
'Cause you left me here
I go wild
'Cause your promises are broken
Wild
When I know you're near
I go wild
I go wild

Tell me what you've come for
Moving like a hunter through my back door
Leaving the perfume of all you adore
To die nameless on my floor

Yeah well we both know THAT you don't play fair
I guess you really think that you get me there
Let's be honest perhaps this little ride
Is too much for even you to bear

You've got SOME nerve to come back here
You're not the only one who can smell fear

I go wild
'Cause you break me open
Wild
'Cause you left me here
I go wild
'Cause your promises are broken
Wild
Don't you get it dear?
You're not the only one who RUNS on instincts
No I've got instincts of my own

You've got a lot of nerve to come back
Plan your attack, yeah I am still waiting
DID YOU WANT SOMETHIN'?
You wrote the rules to try AND contain me
You broke 'em
Now you have untamed me
AND I'M WILD
I go wild
I go wild

Tell me what you've come for
What is it you adore?
Won't you tell me?
WHAT YOU CRY FOR?
(CRY)
SWALLOW YOUR PRIDE FOR?
What would you...OH...
Go wild for?

You've got a lot of nerve to come back here
Speak up my darlin' I have been waiting

I go wild
'Cause you break me open
Wild
'Cause you left me here
I go wild
'Cause your promises are broken
Wild
Don't you get it dear?
You're not the only one who RUNS on instincts
No I've got instincts of my own

You've got a lot of nerve to come back

Father :
Communication is NOT just words: communication
Is..architecture.
Because of course it is quite obvious that a house
Which would be built without
THE SENSE...WITHOUT that desire FOR
COMMUNICATION,
Would not look the
way your house looks today!
