I spent all my love for you
It's all used up.
You took it all with you
There's nothing left.
Everywhere I go I think of you
No matter what I do
You're always on my mind.

Walking down these empty streets
Where are you and now I'm feeling down
'Cause half of me has gone.
I'm feeling all these tears from you
Now that I am alone they're streaming out
How can I go on?

Chorus

Finally I realize
You won't come back to me
What can I do?
cause everything reminds me on you.

Everything I gave to you
You have taken it all
Oh everything I gave to you
You have taken it all.

You have taken it all
That's why you're always on my mind.

Chorus

You're always on my mind
