They blazed a trail I dared to run
They built this world and I have come
I need another, like a brother
For a cryin shoulder

This could be the last time
You will stand by my side
Well, I can feel my soul its bleeding
Will you fly with me this evening

Sober mind time now is gone
They carved my body not of stone
A pretty maze of emptiness
Ive said the hell with all the rest

This could be the last time
You will stand by my side
Well, I can feel my soul its bleeding
Will you fly with me this evening

This could be the last time
You will stand by my side
Well, I can feel my soul its bleeding
Will you fly with me tonight

This could be the last time
You will stand by my side
Well, I can feel my soul its bleeding
Will you fly with me this evening
