Oh ! I'm waitin' countdown

This ever away be showin'
I think somebody I turn around
At so many feelings

Oh! I'll be waitin' hold on countdown
Freeze your body turn around
I know where I how lost and found
Just wait be hold on countdown

Oh I'll be waitin' hold on countdown

But how I'll do you think girls
The time still you've waitin'
Hold stayin' alive girls I hold somebody stayin'
Oh! I'm waitin' hold on countdown...

So how say an end shamin'
Nothin' is waitin' to bring him
At some many feelings
For how I've gonna feel him
