I-I-I-I want [?x]  
Be-e-e-e, want

I-I-I-I want [?x]

Move, clash [?x]

Don't you see their bodies burning  
Desolate and full of yearning  
Dying of anticipation  
Choking from intoxication  
[2x]

Don't you see their bodies burning? [2x]  
I want you to be  
Left behind those empty walls  
Told you to see  
From behind those empty walls  
Don't you see their bodies burning?  
Desolate and full of yearning  
Dying of anticipation  
Choking from intoxication

Don't you see their bodies burning?  
Desolate and full of yearning  
Dying of anticipation  
Choking from intoxication  
[2x]

Don't you see their bodies burning? [2x]  
I want you to be  
Left behind those empty walls  
Told you to see  
From behind those empty walls

Move, clash [?x]

Don't you see their bodies burning  
Desolate and full of yearning  
Dying of anticipation  
Choking from intoxication  
[2x]

Don't you see their bodies burning? [4x]  
I want you to be  
Left behind those empty walls  
Told you to see  
From behind those empty walls

Don't you see their bodies burning  
Desolate and full of yearning  
Dying of anticipation  
Choking from intoxication  
[4x]
