My Good Pott's my chick, My Good Pott's her name
Every time I'm near her she drives me insane

(Call)I love my Good Pott (monotone response) I love
my Good Pott (repeat 2x)
I Love my Good Pott, my Good Pott all the time
(Monotone back)

Morning, noon and night time too
I need my Good Pott all day through

(Call)I love my Good Pott (monotone response) I love
my Good Pott (repeat 2x)
I Love my Good Pott, my Good Pott all the time
(Monotone back)

I Love my Good Pott probably more than I oughta
I Love my Good Pott like a duck loves water

(Call)I love my Good Pott (monotone response) I love
my Good Pott (repeat 2x)
I Love my Good Pott, my Good Pott all the time
(Monotone back)

Solo

She's long and thin but awful sweet
Perfume smell that can't be beat

(Call)I love my Good Pott (monotone response) I love
my Good Pott (repeat 2x)
I Love my Good Pott, my Good Pott all the time
(Monotone back)

Just one touch of her lips
I blow my top and I'm ready to flip

(Call)I love my Good Pott (monotone response) I love
my Good Pott (repeat 2x)
I Love my Good Pott, my Good Pott all the time
