on a wing and a prayer by Adriana Romeyn
Our hearts have crashed in flames before
The mem'ries gather dust
But we might try a second flight
If we could learn to trust

The ins and outs - the ups and downs
I guess we've had our share
But now our dreams are comin' in
On a wing and whispered prayer
Yeah, yeah

On a wing and a prayer
Love flies in from nowhere
On a wing and a prayer
Hope is now ev'rywhere
On a wing and a prayer
Love has touched you and I
On a wing and a prayer
Through a grey 'n' stormy sky
Ooh

Let's take a chance, let's learn to fly
We'll make it through this time
Let's set our course towards the sun
And high above we'll climb

Don't let the past now clip our wings
As we come into land
Let's make it last, don't lose control
Reach out now for my hand
Yeah, yeah

On a wing and a prayer
Love flies in from nowhere
On a wing and a prayer
Hope is now ev'rywhere
On a wing and a prayer
Love has touched you and I
On a wing and a prayer
Through a grey 'n' stormy sky
On a wing and a prayer

Love has touched you and I

On a wing and a prayer
