D'you breathe the name  
Of your saviour  
In your hour of need  
And taste the blame,  
If the flavour should remind you of greed  
Of implication, insinuation and ill will  
Till you cannot lie still  
In all this turmoil  
Before red cape and foil  
Come closing in for a kill

Come feed the rain  
'Cos I'm thirsty for your love,  
Dancing underneath the skies of lust  
Yeah feed the rain  
'Cos without your love  
My life ain't nothing but this carnival of rust

It's all a game  
Avoiding failure  
When true colours will bleed  
All in the name of misbehaviour  
And the things we don't need

I lost for after no disaster can touch,  
Touch us anymore  
And more than ever  
I hope to never fall,  
Where enough is not the same it was before

Come feed the rain  
'Cos I'm thirsty for your love,  
Dancing underneath the skies of lust  
Yeah feed the rain  
'Cos without your love  
My life ain't nothing but this carnival of rust

Yeah feed the rain  
'Cos I'm thirsty for your love,  
Dancing underneath the skies of lust  
Yeah feed the rain  
'Cos without your love

My life ain't nothing but this carnival of rust

Don't walk away, don't walk away,  
Ooh when the world is burning  
Don't walk away, don't walk away,  
Ooh when the heart is yearning  
Don't walk away, don't walk away,  
Ooh when the world is burning  
Don't walk away, don't walk away,  
Ooh when the heart is yearning
