Here's my confession  
'Cos I can't keep it in me  
And you know I'm breathless  
As I come undone,  
Undone before you

Loving every heartache  
Revel in every twist and turn  
I can feel your wisdom burning in me  
Like a second sun

Please forgive me  
I can't lay down to waste mine  
Going crazy running out of...

Why's it feel like it kills when you're leaving me?

Am I still hanging on  
To the ends of yesterday in me  
When I was crying  
for my fears, bitter tears  
But you made me see we're crazy running  
Crazy running like we're running out of time

Take my aggression  
As a gift to show us what we need to change  
Thoughts we need to rearrange  
'Cos we're alright now

Here is my confession though I  
Don't bow to authority  
Right and wrong  
Dare my left and right  
And this means like we're  
Crazy running like we're running out of time  
Forgive me  
I can't lay down waiting...

Why's it feel like it kills when you're leaving me?  
Am I still hanging on  
To the ends of yesterday in me  
Still defining  
for my fears, bitter tears  
You can make me see we're crazy running  
Crazy running like we're running out of time

Why's it feel like it kills when you're leaving me?  
Am I still hanging on  
To the end of yesterday in me  
When I was crying  
for my fears, bitter tears  
But you made me see we're crazy running  
Crazy running like we're running out of time
