Over mountains I feel safe
Sacred were those summers
And these memories I place in my heart for shelter

And I modify
Just to smell the ocean
And I underline
Visualizing motion

And I guess I miss my home
I could not stay
I'll return It's alright I'm ok

Reoccured daydream
Tie up stern first
And these gifts i've learned never leave me

And I redesign
Family and growing
And I realign
Forgetting nothing

And I guess I miss my home
I could not stay
I'll return It's alright I'm ok
Maybe in a few years it'll come back to you
Reflection becoming your virtue

So sort me out
Lay me away
Over these mountains I feel safe
And bless the sound
Return the day
Over these mountains I feel safe

And I guess I miss my home
I could not stay
I'll return It's alright I'm ok
Maybe in a few years it'll come back to you
Reflection becoming your virtue

So sort me out
Lay me away
Over these mountains I feel safe
