Man it's a hot one
Like seven inches from the midday sun
I hear you whisper and the words melt everyone
But you stay so cool
My mu equita my spanish harlem mona lisa
Your my reason for reason
The step in my groove

Bridge
And if you say this life aint good enough
I would give my world to lift you up
I could change my life to better suit your mood
Cause you're so smooth

Chorus
And just like the ocean under the moon
Well that's the same emotion that I get from you
You got the kind of lovin that can be so smooth
Gimme your heart make it real
Or else forget about it

I'll tell you one thing
If you would leave it would be a crying shame
In every breath and every word I hear your name
calling me out
Out from the barrio you hear my rhythm from your
radio
You feel the turning of the world so soft and slow
Turning you round and round
