Buddy you're a boy make a big noise
Playing in the street gonna be a big man some day
You got mud on your face
You big disgrace
Kickin' your can all over the place
Singin'

We will we will rock you
We will we will rock you

Buddy you're a young man hard man
Shouting in the street gonna take on the world some
day
You got blood on your face
A big disgrace
Wavin' your Banner all over the place

We will we will rock you
We will we will rock you

Buddy you're an old man poor man
Pleading with your eyes gonna make you some peace
some day
You got mud on your face
Big disgrace
Somebody better put you back into your place

We will we will rock you
We will we will rock you

I saw him dancin' there by the record machine
I knew he must a been about seventeen
The beat was goin' strong
Playin' my favorite song
An' I could tell it wouldn't be long
Till he was with me, yeah me
And I could tell it wouldn't be long
Till he was with me, yeah me, singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll

So come and take your time and dance with me

Ow!

He smiled so I got up and asked for his name
That don't matter, he said,
'Cause it's all the same

Said can I take you home where we can be alone

An' next we were movin' on
He was with me, yeah me

Next we were movin' on
He was with me, yeah me, singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me

Ow!

Said can I take you home where we can be alone

Next we were movin' on
He was with me, yeah me,
An we'll be movin' on
An' singin' that same old song
Yeah with me, singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me
