Diamonds, Roses I need Moses
To cross the sea of loneliness
Part this red river of pain.

Everywhere is somewhere ain't no where is near
Everybody's got somebody with their wine and their
beer

But I'm just a tragic figure in the corner over here
With an empty apartment and a best friend who is
queer

(Huh)

Every time I see him he smiles and tells me how well
He's walking' these miles but he never ever asks a
single

Thing about me if I died he'd hear about it eventually

Diamonds.Roses I need Moses

To cross the sea of loneliness

Part this red river of pain

(Oh oh oh ohhh)

To cross the sea of loneliness

Part this red river of pain

(Oh oh oh)

To cross the sea of loneliness

Part this red river of pain
