

Advent, The "I Am"

Visit "[I Am](#)" on MotoLyrics.com

I am a broken man

My ways are like a fools

Causing anguish, causing death

Creating waves of consequence

Alone and in despair, I wait for You

I will wait for You here

Pushing on, pushing through it all

I will run the race

Setting my course straight ahead

My destroyer waits for me

But You redeem

My destroyer waits

You redeem me

You redeem this tired soul

And these tired bones, Your name

(Breaks the shackles)

Your name

(Breaks the shackles)

Your face gives me rest, Your name

(Breaks the shackles)

I see the rising of the Son

I know the day is near, the day is here

I know my Avenger waits

My Avenger is right behind me on clouds of glory

I see Armageddon
