

Advent, The "Landscape"

My mind has been building worlds

Where as a king I reign or lay in slavery

I take the dust of Gods

To hold the divine sand

"To see a world in a grain of sand:

And heaven in a wild flower;

Hold infinity in the palm of your hand

And eternty in an hour"

[W. Blake]

"The mind is its own place, and itself

Can make a heaven o hell, a hell of heaven"

[J. Milton]

Lost in a dream

I wander in my Realms

I don't want awake

Forever in this place

I don't want awake

From a distant landscape

Forsaken in this space, hidden by the fog

I can fly away dreaming of my kingdom

Lost in my dreams

I wander in my Realms

Forsaken...

My mind has been building worlds

Where as a king I reign

I'll take the sand of Gods

Or lay in slavery

"To see a world in a grain of sand:

And heaven in a wild flower;

Hold infinity in the palm of your hand

And eternty in an hour"

[W. Blake]
