

Advent, The "Shub-Niggurath"

Where the stones lain,

Thou will call his name

If thou know the Signs,

If thou know the Words.

When the Sun

Enter in the Ram,

And darkness are fallen,

Turn thy face

To the Northern Wind

Iah! Shub-Niggurath!

...Heaven can wait...

Great Black Goat of Woods

Worldly pleasures

I call thou!

...Waiting another day...

The sign of Voor

Rise in the sky

The seal is broken

The sign of Kish

Appear in the circle

The Gates are open

The Sign of Koth,
Elder thou watching,
Seals what was unfolded
Return on the Earth again!
Wordly pleasure!
Great Black Goat of Woods!
Kneeled thy body
By Archon of the Night,
Scent on the fire
The Seal of Blaesu
Is tracing
I'll have their power
Becoming as a god
My soul is strong
I feel their stream
Growing within;
Black Horrors of the Night
Will kneel to me
I'll take their forces
And I'll order
Over them...
ZARIATNATMIX, JANNA, ETUTNAMUS,
HAYRAS, FABELLERON, FUBENTRONTY,
BRAZO, TABRASOL, NISA,
VAR-SHUB-NIGGURATH ! GABOTS MEMBROT!
Ancient creatures

Who sleep beyond the time
Appear through mist and fire
Without shape,
Out of cosmic void
Is my soul condemned
From here to eternity?
Now that I open the Gates
I see the horror
That come out of time and space...
The Horror... The Horror...
