"Love You 'Til The End"

I just want to see you when you're all alone.
I just want to catch you if I can.

I just want to be there when the morning light explodes.
On your face it radiates.
I can't escape.
I love you 'til the end.

I just want to tell you nothing you don't want to hear.
All I want is for you to say,
"Oh, why don't you just take me where I've never been
before?
I know you want to hear me catch my breath."
I love you 'til the end..
I love you 'til the end.

I love you 'til the end..
I love you 'til the end.

I just want to be there when you're caught in the rain.
I just want to see you laugh not cry.
I just want to feel you when the night puts on its cloak.
I'm lost for words..
Don't tell me..
'Cause all I can say...
I love you 'til the end..
I love you 'til the end.

I love you 'til the end..
I love you 'til the end..
I love you 'til the end..
(All I can say) I love you 'til the end..
I love you 'til the end..
I love you 'til the end..
(It's all I can say) I love you 'til the end..
I love you 'til the end..
I love you 'til the end..
I love you 'til the end.
