[Intro: Dom Pachino] A lot of things changed... Best friends ain't the same... Plus the music ain't the same... Word... but I still got love, yo [Dom Pachino] This is my story, cuz when I fell in love with rap They call it hip hop, cuz that's where the soul is at I had to be nine, going on ten, my best friend Let me hear some demos from his brother, and that's when I fell in love with this music, that I create Ninety seven dropped the single, first time that I ate Was '98, and it wasn't off a platinum plate I got some ammo and some troops, and said it ain't too late We gon' do it, not only we gon' do it, we gon' run right through it Food for thought, nigga, you living fluid We like liquid, and we also like gas We can through your body and pass out your ass That's how we shit away the trash You got caught with hay fever, and developed a rash Ate from the wrong tree, and you grew up fast Some relationships just don't last, some friendships just don't last Some teams, they break up fast, some teams, they stay together Like a true Army, through any weather, however Remember when we did this shit strictly for the love Once the money got involved, now the shit is corrupt Best friend turned foe, good bitches turn hoes How I know, first class, they get fucked at my shows Send them back to they man, fucked up, nobody knows Next week, same freak, that's just how the shit goes I didn't make the rules, I just survive by 'em And if you wanted by the kid, you not gon' slide by 'em Cuz I'm a live wire, who love to open fire That want to accomplish every goal that my strong mind desire I'm hot, you can't turn out my fire I tell the truth, you can't, call me a liar With knowledge of self, I build my empire After a end of the race, you gonna see higher Some friendships just don't last, some teams, they break up fast Some teams, they stay together, like a true Army, through any weather, however A lot of things change, best friends ain't the same The music ain't the same, but I still got love No doubt, son, I still got love It's my heart, word, I still got love
