[Intro: Dom Pachino] Yeah, yeah... this shit right here Is for all my muthafucking snake ass niggas That cross my path, you know what I'm saying? Some I caught up with, and I chopped they fucking heads off And some, have yet to be seen and saught out yet (I'm a serious fucking dude, man, some serious things, man Fuck with me, it might cost you your life, yo) [Dom Pachino] I declare war on a fake nigga, a snake nigga Damn, P, that used to be ya nigga Niggas envy the fact that I can do without him Eat, shit, sleep without him, pay my bills & build a crew without him Gemini minds, same sign as Einstein, but will they got him He's hot, everybody's talking bout him... [Chorus: Dom Pachino] Jealousy, is a very ugly thing Jealousy, is a very ugly thing Jealousy, is a very ugly thing [Dom Pachino] Yo, I'm a winner by nature, and your a hater You're patent leather, I'm alligator Hit you up, sayonara, see you later You fucking with a crusader, whose crew's greater Pull ya pads out, listen to the street educator Serve fiends like a waiter, even my neighbors In my hood I'm considered the mayor Real hip hop prevailer, you know the flavor [Chorus] [Dom Pachino] Yo, you can't match my heart, nor my glory, end of the story Purely, in simple terms, you got nothing for me A chain built with the weak link, will surely break It's not that the team was weak, just ya ass is fake Ya ass is snake, you swine like ya ass is jake Just like ya ass is jake... [Chorus] [Outro: Dom Pachino] And you a bee, that couldn't sting anything... You know, it's like niggas killed me though, and shit Like, niggas befriend you, or whatever Even be childhood buddies, and shit, grow up together Little knucklehead niggas, and here niggas turn around And do some real savage shit, knawhatimean If I had it my way, all snake ass niggas, man With them intentions, I'll fucking kill 'em, personally, man Knahlmean? Jealousy's a very ugly thing So knock it off, kids...
