If, you're drowning in your life  
They're swallowing your time  
There's something on your mind.

Time, when time is on your side  
I'm bored wasting my time  
I know you fake your pride.

You, you always make me try  
to swallow all my pride  
it doesn't make it easier.  
Time, when time is on your side  
there's something on your mind  
It doesn't make it clearer.

When your down  
You're feeling down and out  
It hurts the way you shout  
it doesn't make it easier.

Time, when time is on my side  
I live the way I like  
You know it is my pride.

You, you always make me try  
to swallow all my pride  
it doesn't make it easier.  
Time, when time is on your side  
there's something on your mind  
It doesn't make it clearer.  
When you're down...

It's so hard and complicated yeah!  
Try to take your time and make it real!

You, you always make me try  
to swallow all my pride  
it doesn't make it easier.  
Time, when time is on your side  
there's something on your mind  
It doesn't make it clearer.  
When you're down...
