I sit here every day but I don't know what to do,  
I feel like a broken, a broken heart!  
No one would do what I would do for you,  
I love you still, you are what I will.

Ref.: It's hard to forget all things  
It's hard to forgive my things  
It's hard to love me now  
I wanna die!  
Anita forgive me  
Anita love me now  
Anita forgive me  
I wanna die!

I wake up every morning and I feel like shit,  
No one can break my heart, like you do!  
Thinking all about your boys, I break down and cry!  
I love you so and you hurt me so...

Ref.: It's hard to forget all things  
It's hard to forgive my things  
It's hard to love me now  
I wanna die!  
(2x)  
Anita forgive me  
Anita love me now  
Anita forgive me  
I wanna die!

Wait 10 years and I'm your perfect boy,  
Wait 10 years and I'm your perfect boy,  
Wait 10 years and I'm your ... perfect boy,  
(2x)  
No one would do what I would do for you,  
I love you still, you are what I will.

Ref.: It's hard to forget all things  
It's hard to forgive my things  
It's hard to love me now  
I wanna die!  
(2x)  
Anita forgive me

Anita love me now  
Anita forgive me  
I wannaÂ' die!  
(2x)
