You'll never know what I feel,
You'll never know how I cry,
You'll never know what I do,
You'll never know how I die.

Ref.: Call me, Call me Babe
(4x)

There's a wish inside of you,
You'll never know until you try,
There's a dream inside of me,
I'll never know until I try.
All I want is your love,
All I feel is the tears.
All I want is your hand,
All I feel is the pain!

Let me be in your Life,
Let me be there for you,
Let me be your friend,
Call me, Call me Babe.

Ref.: Call me, Call me Babe
(4x)

I feel in love, you'll never know.
Tears go by, fell down and cry.
I want hold, I want hold your hand!

I can't sing a song for you,
Your blue eyes know the truth,
I can't stand in front of you,
You'll never know how I cry.

All I want is your love,
All I feel is the tears.
All I dream is about you,
All I feel is the pain!

Let me be in your Life,
Let me be there for you,
Let me be your friend,

Call me, Call me Babe.

Ref.: Call me, Call me Babe
(4x)

I love you, you'll never know.
I fell in love, you'll never know.
Tears go by, fell down and cry.
I want hold, I want hold your hand!
You'll never know what I feel,
You'll never know how I cry,
You'll never know what I do,
You'll never know how I die.

I love you, I love you!
I love you, you hate me.
I love you, you hate me!
You'll never know (4x)

I feel in love, you'll never know.
Tears go by, fell down and cry.
