Ref.: You are the One, I can feel
Stay with Me, that is Real.
You are the One, I will scream
You are the One, that's not a Dream

I look out the window babe, I see the sun,
I look out the window babe, I must be gone.
I look to the door out babe, I see my heart,
I look to the door out babe, it's destroyed.
I look in the mirror babe, I see you,
I look in the mirror babe, I love you!

Ref.: You are the One, I can feel
Stay with Me, that is Real.
You are the One, I will scream
You are the One, that's not a Dream

I look to your body babe, I touch you,
I look to your body babe, I kiss you.
I look to your feet babe, I hear your voice,
I look to your feet babe, I hear your breath.

Ref.: You are the One, I can feel
Stay with Me, that is Real.
You are the One, I will scream
You are the One, that's not a Dream
