I'm drivin' down the road, doin' 95 miles per hour, oh
yeah My radio's blastin' and I'm passin' cars faster and
faster, aha I'm feelin' kinda down 'cos I left her with a
frown, my baby, oh yeah We always seem to fight when
things are goin' right and maybe, aha Maybe I should
turn around, maybe I should stop, maybe I should turn
around Chorus: Speedin' back to my baby, and I don't
mean maybe Speedin' back to my baby, and I don't
mean maybe You know, maybe I should turn around,
maybe I should stop Maybe I should turn around I'm
lookin' for a station, 'cos there's no acceleration to get
back, oh yeah My gage is showin' red and my battery's
dead, I'd better find one fast The whole thing began
'cos I saw her with a man, my baby, oh yeah I really
wouldn't mind, but you know I've got my pride to think
of, aha Maybe I should turn around, maybe I should
stop, maybe I should turn around chorus I found me a
station, now I got acceleration to get back, oh yeah
She's my only girl and to me she's just the world, so
maybe, aha Maybe I should turn around, maybe I
should stop, maybe I should turn around chorus
repeats out
