Get up, get up, get up
Let's all unite (shoo-be-doop)
Get up, get up, get up
Stop fuss and fight (shoo-be-doop)

Too long we have been in the dark
It's time for us to see the light (shoo-be-doop)
And try to do the thing that is right
In Jah Jah's sight (shoo-be-doop)

[Chorus]

Killing your brothers everyday
God will only like you go astray (shoo-be-doop)
And soon one day I know
You'll have your day (shoo-be-doop)

[Chorus]

Too long we have been in the dark
It's time for us to see the light
And try to do the thing that is right
In Jah Jah's sight (shoo-be-doop)

[Chorus]

Killing your brothers everyday
God will only like you go astray
Soon one day I know
You gonna have your day (shoo-be-doop)
