(Late night blues)
(Late night blues)

Hey little girl don't forget that we've got a date (got a date)
I'll be at the gate at precisely quarter to eight (quarter to eight)
So put on your best dress and don't be late
Yes, I would appreciate if you have some faith

We gonna have nice time tonight
And everything will be alright
We love tight
Out of sight

I'm going to take it to the blues (late night blues)
So baby all you got to do is to wear us off shoes (wear us off shoes)
If you choose to go to the late night show
Then baby I'll take you anywhere that you want to go
(anywhere you want fe go)

We gonna have nice time tonight
We gonna dub this ya rhythm so nice
We love tight
Out of sight
