Cold sweat start making to my eyes
My 2 feet try to keep up
Cold sweat start making some noise
Come on gotta speed up

Whips and parking lot, hoes and a pimp like crocodile
About to style its popping out
Got stock on the block break for them
stopped brains hang out
Got a plan, same way out
Play the great hound, pray to the clouds
The way its gotta stay between me, safe with the house
Cant come out and the bank account
Got me stuck in the game cant make it out
Break ounce make it now, but a naked
A to the Im shaking now
Scrape the ground you bitch know I papered out

Cold sweat start making to my eyes
My 2 feet try to keep up
Cold sweat start making some noise
Come on gotta speed up

You are move with the
Like marc I swap the candle
Yall just gamble, the way I scramble
You gotta be careful
Be the real wolf in the
gotta make do
play just play cool
Chasewith the red bull
spread the think youre hostile
My neck colossal, the rest forgot you
Late on the carfossil

Cold sweat start making to my eyes
My 2 feet try to keep up
Cold sweat start making some noise
Come on gotta speed up
Cold sweat start making to my eyes
My 2 feet try to keep up

Cold sweat start making some noise
Come on gotta speed up

One for the hood, 2 for the block, aha
Get more years, off the top
3 for the weed, 4 for the scotch, aha, yeah
This shit will make you

One for the hood, 2 for the block, aha
Get more years, off the top
3 for the weed, 4 for the scotch, aha, yeah
This shit will make you
