Chorus

Tonight is the night, to make it alright, tonight is the night;
Baby come over (baby come over)

Tonight is the night, to make it alright, tonight is the night;
Baby come over (baby come over)

Here I sit alone on a Saturday night, feeling kinda horny.

Boy I did cool cos Im missing you

But youre so far away baby, and I need you here by my side

Theres so many kinky things we could do tonight.

Chorus

Baby just a simple touch, the little things mean so much (to me)

Ill do any thing for you, if you ask me to, Ill be there for you.

And baby I know you got a woman at home, we can never be alone to me

But its alright, cos all I need is tonight; come see about me.

Chorus

Uuuuhhhhhh and we can do some kinky things

([spoken] you know you want to)

Lets take our time, baby lets take it nice and slow

Baby Ill do you right, boy Ill make it good to you

All I want to do is make sweet love to you

So dont make me wait too long Baby come over.

Chorus to fade
