Don't give up an inch girl  
If you won't take me for the mile  
Don't give up an inch girl  
If you won't take me for the mile

Miles from home and I'm all alone  
And looking for the first time  
We took a long ride  
And there by her side  
I did my first crime

Well Mary Mary  
Quite contrary  
Just how does your garden grow  
She said you ring my bell  
And rattle my shell  
I'll be your pretty maid all in a row

Put me to the test  
Lay me down to rest  
While her nails cut me up like a knife  
Put me in you  
Like a flesh tattoo  
And scared this poor boy for life

Don't give up an inch girl  
If you won't take me for the mile  
Don't give up an inch girl  
If you won't take me for the mile

It was a hot one  
In the summer sun  
And more than heat was rising  
I remember that September  
And just how you left me smiling  
I left there shaken body was achin'  
Like it never did before  
Begged and pleaded  
Swear I needed  
Needed you a whole lot more

Put me to the test  
Lay me down to rest  
While her nails cut me up like a knife  
Put me in you  
Like a flesh tattoo  
And scared this poor boy for life

Put me to the test  
Lay me down to rest  
While her nails cut me up like a knife  
Put me in you  
Like a flesh tattoo  
And scared this poor boy for life

Made this boy's bell ring  
And there I earned my wings  
Left me there in sweet pain  
Hell I'll never be the same

Don't give up an inch girl  
If you won't take me for the mile  
Don't give up an inch girl  
If you won't take me for the mile
