Tonight's the night we're gonna make it happen
Tonight we'll put all other things aside
Within this time and show me some affection
We're going for those pleasures in the night

Bridge

I want to love you, feel you, wrap myself around you
I want to squeeze you, please you, I just can't get
enough
And if you move real slow
I'll let it go

Chorus

I'm so excited
And I just can't hide it
I'm about to lose control
And I think I like it

I'm so excited
And I just can't hide it
And I know, I know, I know, I know
I know I want you
We shouldn't even think about tomorrow
Sweet memories will last a long long time
We'll have a good time baby don't you worry
And if we're still playin' around boy that's just fine

Chorus II

Let's get excited
We just can't hide it
I'm about to lose control and
I think I like it
I'm so excited
And I just can't hide it
I know I want you, I want you

Piano Solo

Bridge

I want to love you, feel you, wrap myself around you
I want to squeeze you, please you, Oh, I just can't get
enough

And if you move real slow I'll let it go

Chorus* I'm so excited
And I just can't hide it
I'm about to lose control
And I think I like it

I'm so excited
And I just can't hide it
And I know, I know, I know, I know
I know I want you, want you

Chorus II
Move closer to me
You've got me burnin' up
Oh oh oh oh oh!

I get too carried
I got to give it up
Oh oh oh oh oh!

Chorus I over Chorus II (TWICE)*
