Well, i stepped into the room,  
Right then she caught my eye,  
Had an ass like a truck,  
And too amazin' from the prize

Shes been like no other,  
Just wanna make that mother brick house

Chorus:  
One more for the bone,  
She likes lips and  
One more for the bone,  
She don't need no diamond rings,  
Couldn't get her through the door,  
So i did her on the floor,  
One more for the bone

Let's get naked baby,  
Roll under the sheets,  
I ask one favor baby,  
Don't you roll on top of me

Shes my frisko queen,  
A non-stop love machine,  
On the scene,  
Like a sex machine

One more for the bone,  
Sparks be flyin like the fourth of july,  
One more for the bone,  
But don't get any in your eye,  
Strapped me on a two by four,  
So i dove right in when she want more,  
One more for the bone

I got excited,  
She threw her hands on top of me,  
On the side of a truck,  
On the side of a tree

She whispered in my ear,

Just one question,  
Could you push it near baby,  
Just started to move when she got down to it

Chorus x's 2
