Chorus:

Relax, Relate, Release

Relax, Relate, Release

It goes R times R times R, let it rain

R times R times R, let it rain

My reservoir of raw reference, rip raw through your residence

To recomend you relocate your regiment unless your men wanna recouperate, remains you restin in

Fuck what you represent, my wrath repudiate your relevance

Reflect in excellence, my infrared resolve to make your head revolve

At RPM's that record spins, resort to reckonin

Recollect, rewind, let me rephrase

Better recognize retard and relay some respect

Or be raided by regrets, remainin wit the rest

See while I'm rainin you repress, so refrain from your request

Rushin the realm you rep, tryna revolt have risky results

Like repercussions of Russian Roulette

Radical reconstruction is in effect

Raggin you rappers wou use reproduction of rhetoric

Rattle you to reduction beyond replenishment

Fuck what you rather do think rational nigga, either resign or repent

Chorus:

Relax, Relate, Release

Relax, Relate, Release

It goes R times R times R, let it rain

On your brain then relate and repeat the refrain

It goes

Relax, Relate, Release

Relax, Relate, Release

It goes R times R times R, let it rain

R times R times R, let it rain

See my rehearsal's the reverse of red-rum

Rap roughnecks and rebels, revert to religion like Rev

Run

Round up a range of rappers, rip a new rectum
This rhythm roots original, forget them rules read son
Where the review ses-sion, to be reminded wit me
recievin
The rap regions rinances are a requirement regardin
You ain't ready to register for retirement
Repair your retina, realize ain't no replica for who you
rhymin wit
This rap shit I be designin it
To relax, and reclinin it
Relate, realign the shit
Release, a round, from a rueger while I'm ridin it
Reeshootin clowns, runners-up and losers try to react
wit a rematch
Wouldn't rely on it, they recedin, retrievein the reasons
That any rasta risks riffin wit the rigorous, infamous E.
B-rock
That's like me revin a Range Rover and you racin B-rock
And run over Reeboks

Chorus

My recitation ain't got no relation wit rockin a Roley
Review my reputation, really, react like you know me
Ain't nothin remotely rosey about my rapture
Roll deep if it renders you cozy but rallying ain't gonna
refract the
Radioactive ray that relently ricochet, from my nuclear
reactor
If my raps are, repeat offenders you couldn't recapture
The rate of ravage reminescent of a raging raptor
Recently reincarnated as an R-rated rap-per
Undergo reparations, I'll just refracture your stature
Wit rhymes I regurgitate and reverbarate and rank the
richter
Wit more fuckin reach than Reed Richards
Givin these riddlers more runs than relief pitchers
Puffin your mary couldn't remake or remix the elixer
We raftin on rapid rivers of ridicule
And gettin rid of you is only ritual, good riddens rude
bwoy!

Chorus 2X

It goes R-R-R,
R-R-R-R-R-R
(to fade)
