We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

Everyone can see we're together
As we walk on by
And we fly just like birds of a feather
I'm not telling no lie

All of the people around us to say
Can we be that close
Just let me state for the record
We're giving love in a family dose, yeah

CHORUS

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

Living life is fun and we've just begun
To get our share of the world's delights
High hopes we have for the future
And our goal's in sight
No we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong, oh no
This is our family Jewel, yeah

CHORUS

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing
