Hey, uh huh  
Hey, uh huh

That's what I like about you  
The way you hold me tight  
Tell me I'm the only one  
Wanna come over tonight, yeah

You're whispering in my ear  
Tell me all the things that I wanna hear  
'Cause that's true  
That's what I like about you  
That's what I like about you

You really know how to dance  
You go up, down, jump around  
Think about true romance, yeah

You're whispering in my ear  
Tell me all the things that I wanna hear  
'Cause that's true  
That's what I like about you  
That's what I like about you  
That's what I like about you

Whoa, hey

That's what I like about you  
You keep me warm at night  
I never wanna let you go  
Know you make me feel alright, yeah

You're whispering in my ear  
Tell me all the things that I wanna hear  
'Cause that's true  
That's what I like about you  
That's what I like about you  
That's what I like about you

That's what I like about you  
That's what I like about you

That's what I l-l-like, baby  
That's what I like about you

Hey, uh huh, hey, uh huh  
Hey, uh huh, hey
