Rosie, oh Rosie  
I'd like to paint your face up in the sky  
Sometimes when I'm busy  
Relaxing I look up and catch your eye

Your eyes when they're widening  
Bring thunder and lightning  
And sunset strokes the colour of your skin  
Your eyes are so blue  
I just think of a blue sky  
And bumble bees buzzing on the wing

Rosie, oh Rosie  
It's raining when you look the other way  
Rosie, oh Rosie  
Your laughter brings the sunshine out to play

And though I just met you  
Will I silhouette you  
Or high-light golden shadows in your hair  
I'd paint in your mind's eye  
Up there in the blue sky  
Summer birds swinging through the air

Rosie, oh Rosie  
I'd paint your face for all the world to see  
Rosie, oh Rosie  
I'd like to paint your face eternally
