Oh, Cleanser of the mess I've made
Upon the hill our places trade
Stretched on a cross Your body crushed
By human hands You formed from dust

Oh, how wonderful Your mercy is
How awesome are Your ways
I come, I come
To worship You for all You've done

Oh, Cleanser of the mess I've made
Your boundless love for me portrayed
With patience for my learning curve
By holding back what I deserve

Oh, how wonderful Your mercy is
How awesome are Your ways
I come, I come
To worship You for all You've done

Oh, Cleanser of the mess I've made
With everything at Your feet laid
I watch as all my cares erode
And from my soul these words explode

Oh, how wonderful Your mercy is
How awesome are Your ways
I come, I come
To worship You for all You've done

Oh, how wonderful Your mercy is
How awesome are Your ways
I come, I come
To worship You for all You've done

Oh, I worship You for all You've done
Oh, I worship You, oh, I worship You

(Holy, holy, holy)
Holy, You're my Healer, my Cleanser
My Father, oh, my Savior

(Holy, holy, holy)
[Incomprehensible], You're wonderful
Hey, You're wonderful

[Incomprehensible]
(Holy, holy, holy)
