Chorus

God loves people more than anything
God loves people more than anything
More than anything He wants them to know
He'd rather die than let them go
Cause God loves people more than anything

God love the weary when they're too weak to try
He feels their pain, He knows their shame
He cries with those who cry
He won't give up or walk away
When other people do
Cause God loves people more than anything

Repeat Chorus

God loves the wounded who stumbled into sin
He reaches down and pulls them out
And cleans them up again
And He will heal the broken heart
Who's given up on love
Cause God loves people more than anything

Repeat Chorus

More than anything
He wants us to go
And show the world
So they will know
That God loves people
More than anything
