Here I go again, it's another messy morning
Walk around the clothes that are covering the floor and
Take my kiss and coffee to go
Then put on my mascara while I'm driving down the
road

I thought that I could do it all, turns out I was crazy
Man, I need an iPhone and a cleaning lady
We haven't had a date night in what seems like forever
It might take a miracle to get myself together

Oh, I wish that there were more than 24 hours in a day
I haven't found it yet but there's gotta be a way
And I keep praying that I can get everything done
And still have time for love and a load of laundry

I'd sure like to relax laying in a bubble bath
But then I'd have to clean the tub and really who's got
time for that
There goes my day dream, I'm just wishful thinking
Oh shoot, I'm running late, I gotta make it to a meeting

Oh, I wish that there were more than 24 hours in a day
I haven't found it yet but there's gotta be a way
And I keep praying that I can get everything done
And still have time for love and a load of laundry

I've been waiting for this moment all day
Just you and me
The lights are low, next thing I know
We're both drifting off to sleep

Oh, I wish that there were more than 24 hours in a day
I haven't found it yet but there's gotta be a way
And I keep praying that I can get everything done
And still have time for love, for love and a load of
laundry
