Chorus

My heart is set on You
Oh, my heart is set on You
No other love will do
Oh, my heart is set on You

I'm placing my life safely in Your keeping
Knowing Your love is here to stay
I'm holding on to You no matter what I'm feeling
Ever always

Chorus

When I'm alone, I know Your there beside me
Feeding me on for all days
Wherever I go I know Your hand will guide me
Ever always

Nothing else will do Your love is better
My hearts set on You forever and ever
Nothing else will do 'cause Your love is better
My heart's set on You forever and ever

Chorus
