Translated by john s. dwight
Oh holy night!

The stars are brightly shining

It is the night of the dear savior's birth!

Long lay the world in sin and error pining

Till he appear'd and the soul felt it's worth.

A thrill of hope the weary world rejoices

For yonder breaks a new and glorious morn!
Fall on your knees

Oh hear the angel voices

Oh night divine

Oh night when christ was born

Oh night divine

Oh night divine
Truly he taught us to love one another
His law is love and his gospel is peace

Chains shall he break for the slave is our brother

And in his name all oppression shall cease

Sweet hymns of joy in grateful chorus raise we,

Let all within us praise his holy name.

Christ is the lord.

Oh praise his name forever

His power and glory forever more proclaim

His power and glory forever more proclaim

Fall on your knees

Oh hear the angels voices

Oh night divine

Oh night when christ was born

Oh night divine

Oh holy night

Oh night divine
