Lord, I need for You to know  
It's only Your love, I would die for  
So, please say You'll never go  
When You say that You'll stay

Words fall short of sentiment  
As tears fall from my eyes  
'Cause hearts fail on all sides  
While mine's safe inside

You're refuge of love  
Oh, You're my refuge of love  
For so long, I never thought I'd find You  
Oh, You're my refuge of love

Love's never been so right  
Love's never been so right  
'Cause I finally found a heaven for my heart  
In Your refuge of love

Guess I believed You'd come and go  
Like every other love in my life  
And, oh, I tried You so  
Yet faithfully, Your patience won my willingness

And slowly it became clear to me  
That You gave you life  
So, I could spend mine in

You're refuge of love  
Oh, You're my refuge of love  
For so long, I never thought I'd find You  
Oh, You're my refuge of love

Love's never been so right  
Love's never been so right  
'Cause I finally found a heaven for my heart  
In Your refuge of love

You're refuge of love  
Oh, You're my refuge of love  
For so long, I never thought I'd find You

Oh, You're my refuge of love

Love's never been so right  
Love's never been so right  
'Cause I finally found a heaven for my heart  
In Your refuge of love

You're refuge of love  
Oh, You're my refuge of love  
For so long, I never thought I'd find You  
Oh, You're my refuge of love

Love's never been so right  
Love's never been so right  
'Cause I finally found a heaven for my heart  
In Your refuge of love
