Silence

Trying to fathom the distance  
Looking out 'cross the canyon carved  
By my hands

God is gracious  
Sin would still separate us  
Were it not for the bridge  
His grace has made us  
His love will carry me

There's a bridge to cross the great divide  
A way was made to reach the other side  
The mercy of the Father cost His son his life  
His love is deep, His love is wide  
There's a cross to bridge the great divide

God is faithful  
On my own I'm unable  
He found me hopeless alone  
And sent a savior

He's provided a path  
And promised to guide us  
Safely past all the sin that would divide us  
His love delivers me

There's a bridge to cross the great divide  
A way was made to reach the other side  
The mercy of the Father cost His son His life  
His love is deep, His love is wide  
There's a cross to bridge the great divide

The cross that cost my Lord His life  
Has given me mine

There's a bridge to cross the great divide  
There's a cross to bridge the great divide

There's a bridge to cross the great divide  
A way was made to reach the other side  
The mercy of the Father cost His son His life

His love is deep, His love is wide  
There's a cross to bridge the great divide

There's a cross, there's a cross to bridge  
There's a cross, there's a cross  
There's a cross to bridge  
There's a cross, there's a cross to bridge  
There's a cross, there's a cross  
There's a cross to bridge

There's a cross to bridge the great divide
