Words & music by lowell alexander

This day is fragile - soon it will end
And once it has vanished, it will not come again
So let us love with a love pure and strong
Before this day is gone

This day is fleeting when it slips away
Not all our money can buy back this day
So let us pray that we might be a friend
Before this day is gone

This day is fleeting
When it slips away
Not all our money can buy back this day
So let us pray that we might be a friend
Before this day is spent

This day we're given is golden
Let us show love
This day is ours for one moment
Let us sow love

This day is frail - it will pass by
So before it's too late to recapture the time
Let us share love, let us share god
Before this day is gone
Before this day is gone
