This gift was the greatest that the world had ever
known
God's love in the form of a little child from Heaven's
throne
Such joy, such hope sent to earth from above
This gift God's greatest gift wrapped in Heaven's love

What can you give to someone who's hurting? What
can you share to come a troubled heart?
In this season of hope just what can you offer to
someone who's life is torn apart?
The dreams of all eternity were wrapped in a present
so small
For God cared enough to give to you the Greatest gift
of all

This gift was the greatest that the world had ever
known
God's love in the form of a little child from Heaven's
throne
Such joy, such hope sent to earth from above
This gift God's greatest gift wrapped in Heaven's love

Yet in this world of darkness there shines a Guiding
Light
The hopes and fears of all the years are met in Him
tonight

This gift was the greatest that the world had ever
known
God's love in the form of a little child from Heaven's
throne
Such joy, such hope sent to earth from above
This gift God's greatest gift wrapped in Heaven's love
wrapped in Heaven's love
