Words and Music by Chris Eaton

Close your eyes and share the dream
Let everyone on earth believed
The child was born, the star shone bright
And love came down at Christmas time
And love came down at Christmas time...

Christmas Eve, 2 am
Heavy snow is falling down
And the streets clothed in white
Echo songs that were sung by candlelight

We're alive, we can breathe
But do we really care for this world in need?
There's a choice we must make each and every day

So close your eyes and share the dream
Let everyone on earth believe
The Child was born, the stars shone bright
And Love came down at Christmas time
And Love came down at Christmas time

So Merry Christmas everyone
And Peace throughout the year
The time has come to celebrate
So let your voices fill, the air
Everyone, watch and pray that the sun will shine on a
brighter day
Join your hands, lift them high
For this gift of life

When Love came down, at Christmas time
When Love came down, at Christmas time
When Love came down, at Christmas time
When Love came down, at Christmas time

So close your eyes and share the dream
Let everyone on earth believe
The Child was born, the stars shone bright
And Love came down at Christmas time

(Close your eyes and share the dream
Let everyone on earth believe
The Child was born, he stars shone bright
And love came down at Christmas time)

And Love came down at Christmas time
