When I said that I would follow it was with an honest
heart
But I didn't fully understand the cost
'Cause there are saints throughout the ages and there
are those today
Who show us what it really means to carry the cross
But that only fuels my devotion no matter what comes I
will say

Yes, I believe, I believe with all that is in me
Yes, I believe though the world rises up against me
I will be faithful to the choice I have made
I am determined I will not be ashamed
To live so the whole world can see that yes, I believe

There will never be a reason to lose this confidence
For I have found where my assurance lies
It is not in my own power but in who my Savior is
And the truth of this conviction makes me shout to the
sky

Yes, I believe, I believe with all that is in me
Yes, I believe though the world rises up against me
I will be faithful to the choice I have made
I am determined I will not be ashamed
To live so the whole world can see that yes, I believe

(Oh yes, I believe)
He is risen
(Yes, I believe)
We are forgiven
(Yes, I believe, I believe)
And one day we'll see Him
And together we'll say

Yes, I believe, I believe with all that is in me
Yes, I believe though the world rises up against me
I will be faithful to the choice I have made
I am determined I will not be ashamed
To live so the whole world can see that yes, I believe

I believe with all that is in me

Yes, I believe though the world rises up against me
I will be faithful to the choice I have made
I am determined I will not be ashamed
I believe, I believe
