Along life's road there will be sunshine and rain
Roses and thorns, laughter and pain
And 'cross the miles, you will face mountains so steep
Deserts so long and valleys so deep

Sometimes the journey's gentle
Sometimes the cold winds blow
But I want you to remember, I want you to know

You will never walk alone as long as you have faith
Jesus will be right beside you all the way
And you may feel you're far from home but home is
where He is
And He'll be there down every road, you will never walk
alone
Never, no, never

The path will wind, you will find wonders and fears
Labors of love and a few falling tears
Across the years there will be some twists and turns
Mistakes to make and lessons to learn

Sometimes the journey's gentle
Sometimes the cold winds blow
But I want you to remember wherever you may go

You will never walk alone as long as you have faith
Jesus will be right beside you all the way
And you may feel you're far from home but home is
where He is
And He'll be there down every road, you will never walk
alone

Jesus knows your joy, Jesus knows your need
He will go the distance with you faithfully

You will never walk alone
He will be right beside you all the way
And you may feel you're far from home
He'll be there down every road

You will never walk alone as long as you have faith

Jesus will be right beside you all the way
And you may feel you're far from home but home is
where He is
And He'll be there down every road, you will never walk
alone
Never, no, never, you'll never, oh you'll never
Never walk alone
