### "The Darkest Lie"

Visit "[The Darkest Lie](#)" on MotoLyrics.com

There you lay  
Innocence in heat  
The tension builds up with the scent so sweet

And you close your eyes

And you give into wholly  
And you inhale the scent unholy

Come and praise the darkest lie

Here I lay  
In my darkest suit  
The afterglow's devouring all of the truth

And I close my eyes

And I give into it wholly  
And I inhale the scent unholy

Come and praise the darkest lie  
x2

And on and on we...  
Come and praise the darkest lie
