I'm so young and you're so old
This, my darling I've been told
I don't care just what they say
'cause forever I will pray
You and I will be as free
As the birds up in the trees

Oh, please, stay by me, Cameron

Thrills I get when you hold me close
Oh, my darling, you're the most
I love you but do you love me?
Oh Cameron, can't you see
I love you with all my heart
And I hope we will never part

Oh, please, stay with me, Cameron

Oh oh, oh oh, oh oh oh oh oh oh

Only you can take my heart
Only you can tear it apart
When you hold me in your loving arms
I can feel you giving all your charms
Hold me darling, h-h-hold me tight
Squeeze me baby with a-all your might

Oh, please, stay by me Cameron
Oh, please, Cameron
