There is nothing I can do, if you leave me, with a cry  
There is nothing I can do, if you leave me, with a cry  
Baby my love will follow you, as the years go passing  
by

I give you all but a home, that's one thing you get the  
night  
I give you all but a home, that's one thing you get the  
night

You know my love will follow you, as the years go  
passing by

I'm gonna leave it up to you, so long, baby good bye  
I'm gonna leave it up to you, so long, baby good bye  
Baby my love will follow you, yes, as the years go  
passing by
